

Te slopen
bijgebouw

An aerial photograph of a farm complex. The main buildings have red-tiled roofs. To the left, there are several smaller, grey-roofed outbuildings. A line points from the text box 'Te slopen bijgebouw' to one of these grey-roofed buildings. Another line points from the text box 'Te behouden schuur buiten woonbestemming' to a larger grey-roofed building. The farm is surrounded by green fields and trees, with a road visible at the top right.
